WARNINGS AND SAFETY INFORMATION

storage / expiry date	Store product in original packaging in a cool and dry place without additional weight, protect from direct sunlight. Do not store near ozone sources (laser printers, copiers). The actual expiry time in use cannot be specified in general terms, as it depends on the general conditions of use. An individual risk assessment must be carried out in each case. The expiry date - valid for proper storage - is stated on the packaging.
use and control	Only ever use the product for its intended use. A check/risk assessment must be carried out to ensure that the product is suitable for the intended use. Ensure that the size matches that of the user. Do not make any changes to the product. Make sure that the product has no defects and is in good condition (no holes, unstitched parts, etc.). This product is intended for single use only
disposal	The used product must be disposed of in accordance with the disposal regulations of the local waste disposal company. Unused products can be disposed of with household waste.
warnings	Choose products that are compatible with the work area. - The disposable item must be replaced after each use. - In the event of tears, punctures, etc., leave the work area and wear a new protective gown. - Prolonged wearing of protective gowns can lead to heat stress. Heat stress and discomfort can be reduced or eliminated by using suitable underwear or suitable ventilation equipment. - These garments are flammable - keep away from fire. - In the event of damage to the product, leave the workplace immediately. - The user must not remove the protective gown while still in the danger zone.
donning and doffing instructions	WAY OF PUTTING ON: - Make sure that the size matches that of the user. Do not make any changes to the product. - Make sure that the product has no defects and is in good condition (no holes, unstitched parts, etc.). - Open the gown and put it on. Make sure that the garment does not tear. Close the gown by wrapping the waistband around your body body and fastening it with a bow. REMOVAL METHOD: - Undo the waist and collar ties and remove the gown. - The disposal of contaminated clothing is regulated by national or local laws. Do not dispose of contaminated protective clothing in household waste. - The protective properties are only effective if the article is correctly put on and closed. - Protect uncovered parts of the body (hands, respiratory tract, feet) with protective gloves, boots, mask, etc., attach them to the gown (with adhesive strips if necessary) and ensure that they offer the same level of protection to ensure full-body protection.
